

On April 29, 2016, the Department of Public Instruction (DPI) notified all School Food Authorities (SFAs) participating in the USDA Foods program regarding a hold on specific Pilgrim's Pride product codes. This hold included the Chicken Nuggets (C530) SFAs received through the State Processing Program.

DPI has now received additional information from Pilgrim's Pride regarding the specific case codes and production dates for the Chicken Nuggets (C530) received through the State Processing Program. As a part of the recall/withdrawal process, DPI is required to collect the data on the case codes and/or production dates of all Chicken Nuggets (C530) on hold at your SFA. Please complete *Chicken Nuggets (C530) Hold Claim Form A*, which can be found on the DPI website: [Claim Form A](#). Email the completed form to Dino Ante, at [Antonio.ante@dpi.wi.gov](mailto:Antonio.ante@dpi.wi.gov) by May 6, 2016.

The complete list of the affected cases codes/production dates for the C530, chicken nuggets is available on the DPI website: [Chicken Nuggets \(C530\) list of case/production codes](#). In addition, a sample of a Pilgrim's Pride case code can be viewed on the DPI website: [Sample case code](#).

Please continue to keep the Chicken Nuggets (C530) **on hold** at your SFA until you receive specific instructions regarding destruction and/or restitution from DPI.

If your SFA has meals prepared by a vendor, Food Service Management Company, or another SFA, you will likely need to work with the appropriate person at that entity to complete *Chicken Nuggets (C530) Hold Claim Form A*.

If your SFA has purchased Pilgrim's Pride commercial products that are affected by the hold, you should receive specific details on the handling of these products from your commercial distributor.
